The Budget 2023, themed “Strengthening Recovery, Facilitating Reforms Towards Sustainable Socio-Economic Resilience of Keluarga Malaysia” will be tabled in Parliament on 7th October 2022.

As the nation is recovering from the COVID-19 pandemic, the Budget is set to focus on riding the economic recovery momentum and continuing reforms to enhance socio-economic resilience. With three specific areas: formulating people-centric initiatives; creating a conducive business environment and; creating a more inclusive and sustainable development model to support economic growth, the Budget is deemed to reinforce Malaysia’s recovery.

Now, all eyes are set on Budget 2023 as the nation is eager to hear what it has to offer. Will the Budget meet the needs of the Rakyat and business community? Can the Budget strengthen Malaysia’s resilience against global volatilities and inflation?

Join us in our full day seminar to get insights from our tax leaders on the Budget 2023 proposals and participate in an informative panel discussion and Q&A on the latest tax developments.
