Malaysia's Budget 2024, themed "Madani Economy: Empowering the People" is set to be tabled on 13 October 2023 by our Finance Minister Dato' Seri Anwar Ibrahim.

Crafted with the Ekonomi MADANI framework in mind, Budget 2024 is said to be the continuation of the Madani Budget that was tabled in February with the focus of spurring the economy and driving greater growth of the industry including small and medium enterprises. Will the Budget 2024 be able to address the people's challenges, drive economic growth and also increase our country's competitiveness?

Join us in our full day seminar to get insights from our tax leaders on the Budget 2024 proposals and participate in an informative panel discussion and Q&A on the latest tax developments.
